El Monte, Ca. 91734**

May 24, 2007

Ernest Gutierrez, Mayor
City of El Monte
11333 Valley Blvd.
El Monte, CA 91731

Dear Mayor Gutierrez:

El Monte American Little League at Pioneer Park is pleased to endorse the proposed Transit Village Project now under review by the City of El Monte. We have followed the development from its inception and believe that Transit Village is a necessary addition to the city.

17-1 We are excited by the opportunity for the refurbishment and upgrading of Pioneer Park that Transit Village affords. Having a safe and modern facility strengthens our ability to provide a comprehensive sports program to the children of El Monte, all in a friendly park setting that everyone can enjoy.

We hope that the City Council will consider the numerous benefits of Transit Village to the community of El Monte. Please vote to approve this project as soon as possible.

Sincerely,

Teresa Farfan
League President
